PARKING LOT GUIDELINES
FOR THE USE OF COUNTY PARKING LOTS
OPERATED BY PARKING MANAGEMENT COMPANY

- **THE PRODUCTION COMPANY IS PROHIBITED FROM PARKING IN DISABLED PARKING SPACES, SHORT-TERM METERED OR BLOCK ANY PAY STATIONS AT ANYTIME (NO EXCEPTIONS).**

- The production company may not block public or emergency access or park vehicles in any front row adjacent to local businesses at Venice Beach at any time (see parking lot maps).

- A walk through is to be conducted after the production company has parked all of its vehicles. This walk through is to be done by the location manager (or designated representative) and a parking contractor supervisor to determine the exact number of spaces being utilized and that number is called into the parking contractor's office. The location manager must make arrangements to meet again with the parking contractor supervisor at a designated time to confirm spaces prior to vacating the parking lot and again that number is called into the parking contractor's office.

- The production company will be invoiced for any additional spaces occupied by cast/crew members' cars, equipment vehicles and coned-off spaces.

- Production companies wanting to use parking spaces at one of the parking contractor operated parking lots on the beach or in the Marina del Rey area must contact the parking contractor directly (310.821.1081) and speak with office management. Normal business hours are Monday through Friday, 8am to 5pm.

- Parking fees are **not** included on film permits. A film permit number must be provided to the parking contractor and the contractor will provide the production company **estimated charges** for the use of the parking lot(s). Payment arrangements must be made with the parking contractor directly at least one business day prior (and before 4pm) for the use of the parking lot(s).

- Cancellations of a parking contract must be done at least one day prior. Refunds will be given within ten to twelve weeks.

- A parking contract does not constitute a film permit.

While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

For purposes of these guidelines the Venice area is Santa Monica City limits to the north, Lincoln Boulevard to the East, Pacific Ocean to the west and Washington Boulevard to the South (including the Strand which is Pacific Avenue, Washington Boulevard, Via Marina, and the Pacific Ocean)
